

Furniture / Thu, 4th December 2025 / Lot 2157

### LOT 2157

An 18th century and later walnut chest of two short and three long drawers, on bracket feet, height 77cm, width 68.5cm, depth 39cm (alterations).

Estimate: £150 - £250

---

### Condition Report

2157. The general condition is ok with some minor scuffs and scratches, as well as some lighting mouldings around drawers. However, the piece has quite clearly been made-up using some 18th century elements, including draw fronts and veneers, but made-up at a later date.
