LOT 2079

A George III mahogany circular tip-top supper table, the turned baluster stem with a birdcage mount and tripod legs, height 73cm, diameter 92cm (stripped top).

Estimate: £40 - £60

Condition Report

2079 - The top has lost much of its original patina having been stripped off and stained. It also has a dark black circular mark to the top. The top panel of the birdcage is later replaced but the base is in generally good original condition.
