LOT 1672

Two pieces of John Dunn studio pottery, comprising a dished rectangular platter with pale blue crystalline glaze to the surface and painted geometric pattern to the underside, length 33cm, and a circular bowl covered in an orange iridized raku glaze, diameter 29cm, painted marks to bases.

Estimate: £50 - £80

Condition Report

Both pieces in good condition overall with no damage or repairs.

The blue dish has some minor glaze scuffs to the black edge and some 'scratch' like lines to the blue glaze near the rim, only noticeable on close inspection and would appear to be a manufacturing issue.
