

LOT 1584

11th December 2025

British and Continental Ceramics / Thu, 11th December 2025 / Lot 1584

## LOT 1584

A large Lladro limited edition group Santa's Midnight Ride, modelled by Alfredo Llorens, No. 184 of 1000, with stand and framed certificate, blue printed, painted and impressed marks to base, length 60cm (minor faults).

Estimate: £400 - £600

---

### Condition Report

The highest reindeer has one antler detached at the head and glued back into position and its other antler has a glued repair to one branch. There are no missing elements to the breaks.

Otherwise the group is in good condition.

The stand is scuffed and scratched.
