LOT 1492

An Italian pottery model of the Madonna by Giovanni Ronzan, mid-20th century, the half-length bust modelled wearing floral decorated clothing, her head bent and eyes closed, black printed and painted marks to base, height 23cm

Estimate: £40 - £60

Condition Report

There is a teeny tiny approx 2mm long missing glaze spot to the cuff of her right sleeve - it looks as though there was probably a burst air bubble during manufacture.

Otherwise in good condition overall with no cracks, chips or restoration.
