

LOT 1644

11th December 2025

British and Continental Ceramics / Thu, 11th December 2025 / Lot 1644

LOT 1644

Two Karl Ens models of parrots, the first in Meissen style perched on a branch with a cherry in its beak, height 31cm, the second on a low branch base with turned head and extended tail, length 36cm.

Estimate: £80 - £120

Condition Report

Parrot with cherry - in good condition overall.

Parrot with extended tail - small spot of re-enamelling to yellow on underside of tail, otherwise ok.
