LOT 1654

A Coalport porcelain part dessert service, circa 1840, painted in the manner of Stephen Lawrence, with botanical studies within puce borders reserved with floral panels beneath gilt edged scroll moulded rims, comprising twelve plates, diameter 24cm, two tazzas and a low stand (faults and repairs to tazzas and stand).

Estimate: £200 - £300

Condition Report

One of the plates has some manufacturer's black pitting to the white ground, otherwise each is in good condition overall with no cracks, chips or restoration and minimal wear commensurate with age and handling.

Both tazzas are badly cracked.

The low stand is extensively glued with old rivet repair holes.
