LOT 1806

A Gallé cameo glass vase, early 20th century, the frosted teardrop shaped body on a large spreading circular foot, overlaid with pale blue and purple and carved with trees before a mountainous riverside landscape, carved mark, height 23cm (minor faults).

Estimate: £100 - £150

Condition Report

The vase overall has a lot of air bubble inclusions, some larger ones have burst on the surface - primarily over the foot.

The neck rim has some chipping and has probably been reduced/polished.

PLEASE NOTE THIS IS ORIGINALLY A LAMPBASE
