LOT 1667

A large Royal Dux Bather figure, early 20th century, the female nude seated on rockwork drying her foot with a draped piece of fabric, applied pink triangle to base with impressed shape No. 1360, height 53cm.

Estimate: £200 - £300

Condition Report

In good condition overall with no cracks or restoration.

There are some teeny tiny nicks to the edge of the base, which you really have to search for.

The figure would benefit from a clean. She is grubby and has a lot of grey pencil like marks particularly to her skin. Please view image 2 on our website using the zoom function where you will see these marks on her cheek and neck.
