Condition Report

1083. The watch is in generally good condition. Typical surface scratches and wear to case. Hinges are good and close tightly. Good clear hallmarks. Dial is good with typical light wear and a little dirty. The movement is in good clean condition, winds smoothly and it is currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch. It keeps good time over a 20 minute test period.
