

Jewellery / Wed, 21st January 2026 / Lot 730

LOT 730

A gold, platinum, emerald and diamond ring, mounted with four cushion shaped diamonds and four cushion shaped emeralds, detailed 'PT&18ct', weight 4.4g, ring size approx M.

Estimate: £300 - £400

Condition Report

The ring is generally in good condition.

Emerald some typical inclusions, with one or two nicks to the facets.

One diamond slightly yellow tinted compared to the others.

Some slight wear to the claws in places but the stones appear secure at present.

Some typical light scratching to the shank/setting.
