LOT 2021

A late 19th century Middle Eastern octagonal occasional table, profusely inlaid with geometric panels and foliate scrolls, height 63cm, width 47cm.

Estimate: £60 - £100

Condition Report

2021. The central panel on the top has clearly been damaged and replaced by a later inlaid reserve and there is some loss of inlaid decoration around this central reserve. Otherwise, there are only minor scuffs, marks and wear.
