Estimate: £60 - £100

Condition Report

1079. Circular top stand - rouge marble panel broken into numerous pieces and re-glued with some chipping/minor losses along break lines. Typical surface scratches and wear, and a little wobbly. Circular wood border to top with small repair. A two screw securing repair to inside shoulder of one leg. Small wood insert repair to inside shoulder of another leg. One wood interior/underside stretcher repaired.

Square top stand - generally good condition, typical surface scratches and wear as well as some small nicks and chips especially to feet. Polish has degraded/worn and is flaking off in places. Structurally fairly sound with later material inset panel and glass top.
