## LOT 751

A gold and seed pearl brooch in the form of an anchor, set with graduated seed pearls, unmarked, weight 6.8g, length 4.3cm.

Estimate: £150 - £250

## Condition Report

751. The brooch is in generally good clean condition. Nice quality with well matched pearls. Pin in working order. A little dusty and dirty between the pearls so would benefit from a clean. Typical light surface scratches.

We would suggest the brooch is late 19th century in date.

The gold is certainly better than 9ct, so would suggest it is likely to be between 15ct and 18ct.
