LOT 750

A French gold and turquoise set oval hinged bangle, the front mounted with a row of rectangular cut turquoises within beaded borders, French hallmarks to clasp, weight 18.3g, inside width 5.7cm, with a case.

Estimate: £700 - £1,000

Condition Report

750. One noticeably larger dent near the hinge, not visible when looking side on. A few other tiny dents elsewhere on the bangle.

Clasp working well.

One turquoise is chipped, some typical discolouration to stones.

Slight splitting to gold supporting turquoise at clasp end.
