## LOT 2306

A Red Ashay satin glass car mascot, moulded in the form of a seated cat, on an oval base, height 10cm. Note: Red Ashay mascots were made for H.G. Ascher Ltd of Manchester and London, by the Reidel Glass Works in Czechoslovakia. H.G. Ascher first marketed these mascots as 'Red Ashay' in 1930 and they were finally taken off the market in 1952, when H.G. Ascher closed.

Estimate: £150 - £250

---

## Condition Report

2306. There is a tiny surface chip to the rear of the cat's neck. Otherwise, no other chips or cracks.
