LOT 2010

A late 19th century satinwood quartetto nest of occasional tables with tulipwood crossbanded borders and raised ebony beading, on turned legs and bracket feet, height 69cm, width 50cm, depth 35cm.

Estimate: £80 - £120

Condition Report

2010. The tables are quite dusty and have some mildew build-up, so would benefit from a clean and wax. Otherwise, the horizontal stretchers appear to have been re-attached with filler over the fixing, but otherwise the tables are in good order.
