

British and Continental Ceramics / Thu, 26th February 2026 / Lot 1405

## LOT 1405

A large Bernard Rooke stoneware studio pottery vase, constructed from a series of slab built Brutalist sections including cogs and wheels, impressed mark to side edge, height 48cm.

Estimate: £50 - £80

## Condition Report

Overall in good condition with no restoration or cracks.

Some minor typical glaze frittling to the top neck rim and less so more sporadically to the relief detail overall - quite inconspicuous.

Small and insignificant long chip to footrim.
