

British and Continental Ceramics / Thu, 26th February 2026 / Lot 1528

### LOT 1528

A Marcello Fantoni Italian pottery lampbase, circa 1960s, with textured surface, the neck and body incised with horizontal banding, covered in a dark running glaze over a shaded blue to purple ground, painted marks to base, height to top of fitting 41cm.

Estimate: £200 - £300

### Condition Report

In good condition overall with no cracks, chips or restoration.

A few minor rubs to glaze on widest part of body - commensurate with age and handling, nothing awful and only noticeable on VERY close inspection.

Needs re-wiring.
