## Condition Report

1033. Typical light surface scratches and wear to case, bracelet and glass, but no significant damage. Clasp in good working order. Dial in generally good condition. Bracelet length approx 16cm.

The watch is currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch.

Crown/winder adjustment needs attention as the crown is a bit loose and when adjusting, it is a bit sporadic and not very smooth.
