Condition Report

1073. Gilt metal Hamilton - generally good condition with no significant damage, typical light surface scratches and wear to case. Dial in good clean condition. The watch winds smoothly and is currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch. However, when you pull the crown up a notch further, it does not adjust.

Base metal Hamilton - wear to case, particularly to case back. Otherwise, dial ok. It winds and adjusts smoothly and it runs, but please be aware we give no guarantees to working order or reliability of any clock or watch.
