

Clocks and Barometers / Thursday, 12th March 2026 / Lot 1178

### LOT 1178

An early 20th century Swiss watchmaker's Jacot tool, stamped 'CS' with cockerel maker's mark, probably Carl Steiner, length 24.5cm, cased, together with a similar Jacot tool, stamped 'DL PP' with star and crescent maker's mark, length 24.4cm, with accessories, cased, and two brass and steel depthing tools, cased.

Estimate: £60 - £100

---

### Condition Report

1178. Both Jacot tools in generally good condition commensurate with age. Typical surface scratches and wear. Cases with typical wear and scuffs but ok.

Two depthing tools in generally good order, a little dirty with typical surface scratches and wear.

Both cases a bit tatty, one hinge lid is falling apart.
