Condition Report

1066. The watch is in generally good restored condition. Dial is clean. Case with only typical light surface scratches.

The movement winds and adjusts smoothly. Calendar functions roll over as they should. Date and month change when concealed buttons are depressed on the band. Rolling moon can also be moved along by depressing the other button on the band. So currently in good working order and currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch.
