Condition Report

1194. Rolleiflex with leather case - generally ok condition with typical surface scratches and wear, some minor black paint loss to metalwork particularly corners and edges, but no excessive damage or dents. Aperture scale missing to front. Lenses appear to be in good condition with no scratches, haze or fungus. Focusing working smoothly. Film loading back opens smoothly and looks clean inside. The camera winds and cocks, and it fires.

Rolleicord with leather case - typical wear, scuffs and surface scratches. Some minor black paint loss to metalwork particularly corners and edges, but no excessive damage or dents. Lenses appear to be in good condition with no scratches, haze or fungus. Focusing working smoothly. Winds, but does not appear to fire.
