

Cameras and Scientific Instruments / Thursday, 12th March 2026 / Lot 1199

LOT 1199

A Nikon S2 Rangefinder camera, Serial No. 6163386, with Nikkor-S.C 1:1.4 f=5cm lens, with leather case, together with a Nikkor-Q.C 1:3.5 f=13.5cm lens and a W-Nikkor.C 1:2.5 f=3.5cm lens.

Estimate: £80 - £120

Condition Report

1199. Camera is in generally good condition, typical light surface scratches and wear. Minor paint loss to black paintwork on edges of metal on back of case, but no significant damage or dents. Camera winds smoothly and fires and appears to be functioning well at all shutter speeds.

Both 5cm and 3.5cm lenses are in good condition with no signs of scratches, dust or fungus. The 13.5cm lens is in generally good condition with no apparent scratches or fungus, but there does appear to be some internal dust.
