

Collectors' Items, Works of Art and Light Fittings / Thursday, 19th March 2026 / Lot 2652

LOT 2652

A George III Blue John (Derbyshire fluorspar) ornamental urn, the turned ovoid body on a circular foot, raised on a slate and fluorspar pedestal, height 30cm.

Estimate: £300 - £500

Condition Report

2652. The top rim band around the top edge of the body has two small nicks. The round base has an area of damage and repair to one side, including some minor loss. The pedestal has some overall minor nicks to edges and corners, a thin surface hairline to one side and a repair to the corner of the lower white foot area. Otherwise in good condition.
