

Collectors' Items, Works of Art and Light Fittings / Thursday, 19th March 2026 / Lot 2523

LOT 2523

A scarce French steel 'Le Desire' concertina type corkscrew, bearing stamped marks to both sides of frame, open length 16cm.

Estimate: £200 - £300

Condition Report

2523. The surface is a little worn as can be seen in the photos, but generally ok.

Rivets seem to be tight and the worm is straight. We would not say the mechanism is snappy, but it seems to be working. The worm maybe slightly short.
