

Collectors' Items, Works of Art and Light Fittings / Thursday, 19th March 2026 / Lot 2556

LOT 2556

Alberto Currini - an early 20th century carved white marble figure of a nude maiden, standing in front of a pedestal, bearing carved signature, height 49cm.

Estimate: £200 - £400

Condition Report

2556. A few minor surface marks, but otherwise in good order. Even though Currini seems to work a lot in alabaster, this appears to be marble.
