LOT 2120

A mid-19th century French mahogany guéridon centre table, the white marble top above a fluted baluster pillar and a carved triform base with claw feet, height 76cm, diameter 98cm (some faults).

Estimate: £300 - £400

Condition Report

2120. A few minor nicks to the edge of the top. The frieze section has some cracks, repairs and loss to its base board, which will need some attention as it is not structurally sound. The base is generally in good order.
