

Objects of Virtu / Thursday, 19th March 2026 / Lot 2373

LOT 2373

A mid-18th century shagreen cased étui, the hinged lid and sides with studwork decoration, the fitted interior with various implements, including silver topped glass bottle, folding pocket knife, spoon, pen with detachable nib and bone rule, height 7.2cm.

Estimate: £250 - £350

Condition Report

2373. Some overall minor wear commensurate with its age. Slight loss to the corner of the aide memoir and loss to the tip of the needle. Slight distressing to the mirror interior of the lid. Small chip to one corner of the glass bottle. It closes fine, but not with a tight click.
