LOT 740

An 18ct gold curb link Albert watch chain, fitted with a T-bar and a swivel, on a boltring clasp, each link and fitting detailed '18', length 40cm, total weight 60g

Estimate: £3,000 - £4,000

Condition Report

740. Generally good condition, typical light surface scratches and wear, but no significant damage or repairs. Each link width approx 5mm.

Boltring and dog clip are in good working condition and appear to be original to the chain. The dog clip is marked in exactly the same way as the links and T-bar with '18' and crown. The boltring just has an '18' mark, so we suppose possibly a later addition. Colour of gold all well matched.
