

Jewellery / Wednesday, 15th April 2026 / Lot 659

### LOT 659

A gold, diamond and seed pearl brooch, mounted with five diamonds, each within a surround of seed pearls, otherwise in an foliate openwork design, detailed '14K', weight 8.6g, width 3.3cm, with an associated case.

Estimate: £500 - £800

---

### Condition Report

In generally good condition.

The seed pearls have an attractive silvery lustre.

One diamond has a small chip to its girdle, but this only noticeable when looking under a 10x loupe.

Pin is tight and secures well.

All stones and pearls appear ensure, claws in good condition.
