LOT 2622

A pair of late 19th/early 20th century cast brass sectional figures of knights in armour, both holding a lance and shield, raised on circular bases, height 52cm (one with loose joints).

Estimate: £100 - £150

Condition Report

2622. Nicely cast pieces, in need of a good clean and polish. As they are made in sections, one of the models has become loose, so the body detaches from the legs, so this will need to be re-sewed, but other than some minor wear and slight bends to the tips of the lances, they are ok.

Approx 4kg each.
