## LOT 2020

A 19th century Ceylonese ebony and specimen wood two-tier table, the top with a parquetry pattern of various woods within a border of porcupine quills, raised on a quill inset base, height 63cm, width 41cm.

Estimate: £300 - £500

---

## Condition Report

2020. Several of the inlaid dots are missing throughout the table, as well as a few areas of quills missing. Some slight movement and gapping to the specimen wood top. Later screws have been used to re-attach the top to the legs.
