LOT 1561

A Cauldon part service, decorated with arched panels of enamelled and gilt flowers against a gilt trellis ground, comprising twelve teacups and saucers, twelve tea plates, sugar bowl, jug (repaired handle) and a rectangular cake or sandwich plate, black printed marks to bases, pattern No. 6999.

Estimate: £40 - £60

Condition Report

Handle of jug with riveted repair.

One saucer with very minor hairline just outside well, only noticeable on VERY close inspection, the saucer still 'rings' when tapped.

Otherwise the service is in good condition overall with no cracks, chips or restoration.

There is typical light wear, e.g., to the saucer wells and high points of the gilding (for example on the tops of the cup handles) but all commensurate with age and use. Overall the decoration is good.

No crazing.
