LOT 1620

A Wedgwood Williamsburg Bianca pattern part service, comprising rounded rectangular tureen and cover, oval platter length 40cm, two oval vegetable dishes, twelve two-handled soup bowls and stands, twelve dinner plates, diameter 28.3cm, twelve dessert plates, diameter 21.3cm, twelve tea plates, diameter 18cm, twelve dessert bowls, two sauce boats and one stand, twelve teacups and saucers, eleven coffee cans and twelve saucers, teapot and cover (cracked), and a sucrier and cover.

Estimate: £100 - £150

Condition Report

The teapot is crazed and cracked, otherwise the service overall is in good condition with no cracks, chips or restoration. I would suggest it has barely been used and most pieces appear almost 'as new'. There are some minor knife cuts/scratches to some of the plates, but these are few and far between. All of the gilding and decoration is pristine.
