

British and Continental Ceramics / Thursday, 30th April 2026 / Lot 1577

LOT 1577

Three pieces of West German Fat Lava glazed pottery, 1960s/70s, comprising a single handled jug of UFO shape by Jopeko with erupted blue glaze on a black ground, moulded numerals 47/25 to base, height 27cm, a single handled jug, probably by Silberdistel, with erupted red glaze on a black ground, incised numerals to base 306/23, height 21cm, and a single handled jug, probably Kreutz, with erupted lime green and red glaze on a black ground, moulded numerals 211 to base, height 20cm.

Estimate: £100 - £150

Condition Report

Each piece in good condition overall with no damage or repairs.

There are inconsistencies/rough areas/burst air bubbles to the lava glaze as a natural part of the manufacturing process.
