LOT 1025

An Enicar Ultrasonic Automatic Supertest Sherpa Diver 600 stainless steel cased gentleman's wristwatch with jewelled movement, the signed black dial with luminous hour markers and centre seconds, the signed case back numbered '314962 and '298481', case diameter 3.9cm, on black plastic strap with signed buckle (bezel lacking).

Estimate: £150 - £250

Condition Report

1025. As can be seen, the watch is missing its bezel.

Otherwise typical surface scratches and wear to case and glass.

Dial generally ok but with minor degrading to luminous hour markers, some minor marks and some corrosion/degrading to hands.

Winder is stiff, but winds and adjust and it is currently running, but please be aware we give no guarantees to working order or reliability of any clock or watch.

Unfortunately, we have not been able to remove the back so unable to supply a photograph of the movement.
