LOT 551

A gold, garnet and diamond oval cluster ring, claw set with the oval cut garnet within a surround of single cut diamonds, detailed '18ct', weight 5g, ring size approx L, with a case.

Estimate: £250 - £350

Condition Report

The garnet has some noticeable abrasion to the table facet edges.

Claws supporting the garnet are in fairly good condition, a few of the claws supporting the diamonds have worn down and could do with re-tipping.

Shank has some slight signs of wear.

Typical light scratching to the metal overall.
