### LOT 609

A silver ring, mounted with an Italian micromosaic oval panel depicting St Peter's Square, detailed 'Silver', weight 24.7g, width of panel 3.4cm.

Estimate: £100 - £150

---

### Condition Report

Some slight chipping to some of the individual mosaic pieces.

One or two mosaic pieces appear to be missing.

There are a couple of cracks to the outer border on each side of the mosaic, with a couple of small nicks and some general abrasion/scratching overall.

The ring shank is slightly distorted, using a ring pole, ring size approx N-N1/2.
