LOT 2005

A good Regency rosewood circular tip-top breakfast table, in the manner of Gillows of Lancaster, raised on a carved triform base, height 74cm, diameter 141cm.

Estimate: £300 - £500

Condition Report

2005. The top has a thin crack to the veneer on one edge and a very thin repaired crack along the veneers, which has been previously cleated from underneath. A few repairs to the veneers on the base, as well as a section of veneer missing on the vertical surface of one side of the base.
