LOT 2039

A pair of Victorian walnut square footstools with waisted sides and carved claw feet, height 23cm, width 40cm.

Estimate: £60 - £100

Condition Report

2039. Both have slight loss of veneer to the corners of the top frieze. One has an area of carved foot missing to the edge, the other with a similar but smaller area of loss. A few of the feet are slightly loose and could do with having the screws tightened/replaced.
