LOT 619

An 18ct gold and diamond three stone ring, claw set with a row of circular cut diamonds, weight 6.3g, total diamond weight approx 2.00ct, ring size approx O1/2, with a case.

Estimate: £1,400 - £1,800

Condition Report

619. Relatively modern ring so condition is very good, only typical light surface scratches and wear, but no significant damage or repairs.

On close inspection, the diamonds draw a little colour, so have a slight yellow tint and some inclusions visible under x10 magnification.
