LOT 2504

A 19th century French amboyna and mother-of-pearl mounted perfume bottle case, the domed lid opening to reveal two glass bottles with gilt star shoulders, width 14.5cm.

Estimate: £100 - £150

Condition Report

504. Some overall minor wear throughout commensurate with its age, but generally in good order. No chips, cracks or wear to glass. Probably missing a small key escutcheon as there are two small pin holes either side of the keyhole.
