LOT 2003

An extensive suite of mid-20th century oak Globe Wernicke style library bookcases, comprising seven bookcases with glazed and panelled doors, width 85cm, and five narrow bookcases, width 45cm.

Estimate: £1,000 - £2,000

Condition Report

2003. These have been made in the mid/late 20th century after the design of Globe Wernicke bookcases. There are some small areas of moulding missing, some door trims, some loose glass panels, one lid missing, but generally in good order.

No apparent woodworm throughout.
