

Jewellery / Wednesday, 8th July 2026 / Lot 679

LOT 679

A gold, ruby and diamond cluster ring, collet set with the cushion shaped ruby within a surround of cushion shaped diamonds, between decorated shoulders, weight 2.8g, ring size approx N1/2.

Estimate: £150 - £250

Condition Report

One or two of the diamonds have nibbled/abraded table facets, possibly stored against other diamond rings.
All stones appear secure.
Some slight thinning to the shank.
Ruby an attractive deep red.
