LOT 534

A 19th century gold mounted stickpin, carved as the head of a bearded blackamoor, unmarked, width of finial 1.9cm, total weight 6.8g.

Estimate: £200 - £250

Condition Report

In generally good condition.

No chips

The blackamoor we feel is gold mounted, the pin may not be gold.

There is very minor wear to the back of the top of the head, but only visible when viewed under a x10 loupe.

The pin is slightly bent at the tip.
