LOT 2561

The Beatles - 'The Beatles' White Album, original mono LP record, PMC 7067/8, -1 / -1 / -1 / -1 / matrix endings, no 'EMI' text on labels, top loading, black inners, numbered 0040730, containing poster and four photographs.

Estimate: £250 - £350

Condition Report

2561. Vinyl looks as though seldom played. No issues with sides 1, 2, 3. Side 4 has a light scratch, approx 3.5cm, spanning 3 tracks, not feelable.

Sleeve has dark marks around record rim, possibly residue from adjacent sleeve if squeezed in rack. Laminate good apart from one inch loss to indentation at base of spine, and a very small loose flap near top. Inner gatefold looks smart, no obvious issues. Inners show signs of wear with creasing and small splits. No issues with poster or photos.
