Condition Report

1141. Winds smoothly and ticks but please be aware we give no guarantees to working order or reliability of any clock or watch.

Typical surface scratches and wear, and a few more pronounced nicks/scratches to edges of case.

The case is not hallmarked but appears to be silver, but it could be a good quality plate. PLEASE NOTE, the catalogue description has been amended to 'silvered', not silver, due to the lack of hallmark.
