LOT 1174

A 20th century mahogany cased Vienna wall clock with eight day movement striking on a gong, the white enamelled two piece dial with black Roman hour numerals and subsidiary seconds, the case with swan neck pediment and glazed door, height 108.5cm, with pendulum and two brass weights.

Estimate: £40 - £60

Condition Report

1174. Looks to be in generally good condition. A little dusty and dirty with typical light surface scratches and wear.

One pulley wheel is detached (but present), so we have not had the clock running, but movement looks to be in generally good clean order.
